

NEWS RELEASE

INVESTOR OPPORTUNITY TO MEET FORUM ENERGY METALS MANAGEMENT AT THE VRIC & PDAC CONVENTION

Vancouver, B.C., January 27, 2023 - Forum Energy Metals Corp. (TSX.V: FMC – OTCQB: FDCFF) (“Forum” or “the Company”) is pleased to invite shareholders and investors to the Vancouver Resource Investment Conference (VRIC) this coming week and the Prospectors and Developers Association of Canada (PDAC) Annual Convention this March in Toronto.

Forum’s President & CEO, Richard Mazur and newly appointed Vice President, Exploration, Dr. Rebecca Hunter will be in attendance to answer questions on its:

- Uranium portfolio in the Athabasca Basin, Saskatchewan
- Newly acquired uranium project in the Thelon Basin, Nunavut, a geological environment comparable to the Athabasca for high grade unconformity-related uranium deposits, and
- Critical Minerals portfolio of Copper, Nickel, and Cobalt projects.

Details are provided below.

Visit Forum at the VRIC 2023

Forum will be exhibiting at the Vancouver Resource Investment Conference (Booth # 732), to be held at the Vancouver Convention Centre West, January 29-30, 2023.

Visit Forum at the PDAC 2023

Forum will be exhibiting at the PDAC Investor Exchange (Booth # 2825), to be held at the Toronto Convention Centre, March 5-8, 2023.

About Forum Energy Metals

Forum Energy Metals Corp. (**TSX.V: FMC; OTCQB: FDCFF**) is a diversified energy metal company with uranium, copper, nickel, and cobalt projects in Saskatchewan, Canada's Number One Rated mining province for exploration and development, a strategic uranium land position in Nunavut and a strategic cobalt land position in the Idaho Cobalt Belt.
