(the “Company”) for use at the annual general meeting (the “Meeting”) of its shareholders to be held on Thursday, December 15, 2022 at the time and place and for the purposes set forth in the accompanying notice of the Meeting.

In this Information Circular, references to “the Company”, “we” and “our” refer to Forum Energy Metals Corp. “Shares” means the common shares in the capital of the Company. “Beneficial Shareholders” means shareholders who do not hold Shares in their own name and “intermediaries” refers to brokers, investment firms, clearing houses and similar entities that own securities on behalf of Beneficial Shareholders.

The Company’s Audit Committee Charter is filed on SEDAR at www.sedar.com and is specifically incorporated by reference into, and forms an integral part of, this Information Circular. Copies of documents incorporated herein by reference may be obtained by a Shareholder upon request without charge from the Corporate Secretary of the Company at Suite 615, 800 West Pender Street, Vancouver, BC V6C 2V6, telephone 604.630.1585. These documents are also available through the Internet on SEDAR, which can be accessed at www.sedar.com.

GENERAL PROXY INFORMATION

Solicitation of Proxies

The solicitation of proxies will be primarily by mail, but proxies may be solicited personally or by telephone by directors, officers and regular employees of the Company. The Company will bear all costs of this solicitation. We have arranged for intermediaries to forward the meeting materials to beneficial owners of the Shares held of record by those intermediaries and we may reimburse the intermediaries for their reasonable fees and disbursements in that regard.

Appointment of Proxyholders

The individuals named in the accompanying form of proxy (the “Proxy”) are officers and/or directors of the Company. **If you are a shareholder entitled to vote at the Meeting, you have the right to appoint a person or company other than either of the persons designated in the Proxy, who need not be a shareholder, to attend and act for you and on your behalf at the Meeting. You may do so either by inserting the name of that other person in the blank space provided in the Proxy or by completing and delivering another suitable form of proxy.**

The only methods by which you may appoint a person as proxy are submitting a proxy by mail, hand delivery or fax.

Voting by Proxyholder

The persons named in the Proxy will vote or withhold from voting the Shares represented thereby in accordance with your instructions on any ballot that may be called for. If you specify a choice with respect to any matter to be acted upon, your Shares will be voted accordingly. The Proxy confers discretionary authority on the persons named therein with respect to:

- (a) each matter or group of matters identified therein for which a choice is not specified, other than the appointment of an auditor and the election of directors,
- (b) any amendment to or variation of any matter identified therein, and
- (c) any other matter that properly comes before the Meeting.

In respect of a matter for which a choice is not specified in the Proxy, the persons named in the Proxy will vote the Shares represented by the Proxy for the approval of such matter.

Registered Shareholders

If you are a registered shareholder, you may wish to vote by proxy whether or not you attend the Meeting in person. If you submit a proxy, you must complete, date and sign the Proxy, and then return it to the Company's transfer agent, Computershare Investor Services Inc. by fax within North America at 1-866-249-7775, outside North America at (416) 263-9524, or by mail or by hand delivery at 9th Floor, 100 University Avenue, Toronto, Ontario, M5J 2Y1, not less than 48 hours (excluding Saturdays, Sundays and holidays) before the Meeting or the adjournment thereof at which the Proxy is to be used.

Beneficial Shareholders

The following information is of significant importance to shareholders who do not hold Shares in their own name. Beneficial Shareholders should note that the only proxies that can be recognized and acted upon at the Meeting are those deposited by registered shareholders (those whose names appear on the records of the Company as the registered holders of Shares).

If Shares are listed in an account statement provided to a shareholder by a broker, then in almost all cases those Shares will not be registered in the shareholder's name on the records of the Company. Such Shares will more likely be registered under the names of the shareholder's broker or an agent of that broker. In the United States, the vast majority of such Shares are registered under the name of Cede & Co. as nominee for The Depository Trust Company (which acts as depository for many U.S. brokerage firms and custodian banks), and in Canada, under the name of CDS & Co. (the registration name for The Canadian Depository for Securities Limited, which acts as nominee for many Canadian brokerage firms).

Intermediaries are required to seek voting instructions from Beneficial Shareholders in advance of shareholders' meetings. Every intermediary has its own mailing procedures and provides its own return instructions to clients.

There are two kinds of beneficial owners - those who object to their name being made known to the issuers of securities which they own (called OBOs for Objecting Beneficial Owners) and those who do not object to the issuers of the securities they own knowing who they are (called NOBOs for Non-Objecting Beneficial Owners). Up until September 2002, Issuers (including the Directors and Officers of the Company) had no knowledge of the identity of any of their beneficial owners including NOBOs. Subject to the provision of National Instrument 54-101, Communication with Beneficial Owners of Securities of Reporting Issuers, however, after September 1, 2002 issuers could request and obtain a list of their NOBOs from intermediaries via their Transfer Agents. Prior to September 1, 2004 issuers could obtain this NOBO list and use it for specific purposes connected with the affairs of the Company except for the distribution of

proxy-related materials directly to NOBOs. This was stage one of implementation of the Instrument. Effective for shareholder meetings taking place on or after September 1, 2004 issuers can obtain and use this NOBO list for distribution of proxy-related materials directly (not via Broadridge) to NOBOs. This is stage two of the implementation of the Instrument.

This year, the Company has decided to take advantage of those provisions of National Instrument 54-101 that permit it to directly deliver proxy-related materials to its NOBOs. As a result, NOBOs can expect to receive a scannable Voting Instruction Form (VIF) from our Transfer Agent, Computershare Investor Services Inc. These VIFs are to be completed and returned to Computershare in the envelope provided. In addition, Computershare provides both telephone voting and internet voting as described on the VIF itself which contain complete instructions. Computershare will tabulate the results of the VIFs received from NOBOs and will provide appropriate instructions at the Meeting with respect to the Shares represented by the VIFs they receive.

If you are a Beneficial Shareholder:

You should carefully follow the instructions of your broker or intermediary in order to ensure that your Shares are voted at the Meeting.

The form of proxy supplied to you by your broker will be similar to the Proxy provided to registered shareholders by the Company. However, its purpose is limited to instructing the intermediary on how to vote on behalf on your behalf. Most brokers now delegate responsibility for obtaining instructions from clients to Broadridge Financial Solutions Inc. (“Broadridge”) in the United States and in Canada. Broadridge mails a voting instruction form in lieu of a Proxy provided by the Company. The voting instruction form will name the same persons as the Company’s Proxy to represent you at the Meeting. You have the right to appoint a person (who need not be a Beneficial Shareholder of the Company), other than the persons designated in the voting instruction form, to represent you at the Meeting. To exercise this right, you should insert the name of the desired representative in the blank space provided in the voting instruction form. The completed voting instruction form must then be returned to Broadridge by mail or facsimile or given to Broadridge by phone or over the internet, in accordance with Broadridge’s instructions. Broadridge then tabulates the results of all instructions received and provides appropriate instructions respecting the voting of Shares to be represented at the Meeting. **If you receive a voting instruction form from Broadridge, you cannot use it to vote Shares directly at the Meeting - the voting instruction form must be completed and returned to Broadridge, in accordance with its instructions, well in advance of the Meeting in order to have the Shares voted.**

Although as a Beneficial Shareholder may not be recognized directly at the Meeting for the purposes of voting Shares registered in the name of your broker, you may attend at the Meeting as proxyholder for your broker and vote your Shares in that capacity. If you wish to attend at the Meeting and indirectly vote your Shares as proxyholder for your broker, you should enter your own name in the blank space on the voting instruction form provided to you and return the same to your broker in accordance with the instructions provided by such broker, well in advance of the Meeting.

Alternatively, you can request in writing that your broker send you a legal proxy which would enable you or your nominee to attend at the Meeting and vote your Shares.

Registered Shareholders

Registered Shareholders may wish to vote by proxy whether or not they are able to attend the Meeting in person. Registered Shareholders electing to submit a proxy may do so by:

- (a) completing, dating and signing the enclosed form of proxy and returning it to the Company's transfer agent, Computershare Investor Services Inc., by fax within North America at 1-866-249-7775, outside North America at (416) 263-9524, or by mail or by hand to the 9th Floor, 100 University Avenue, Toronto, Ontario, M5J 2Y1;
- (b) using a touch-tone phone to transmit voting choices to a toll-free number. Registered shareholders must follow the instructions of the voice response system and refer to the enclosed proxy form for the toll-free number, the holder's account number and the proxy access number; or
- (c) using the internet through the website of the Company's transfer agent at www.computershare.com/ca/proxy. Registered Shareholders must follow the instructions that appear on the screen and refer to the enclosed proxy form for the holder's account number and the proxy access number;

in all cases ensuring that the proxy is received at least 48 hours (excluding Saturdays, Sundays and holidays) before the Meeting or the adjournment thereof at which the proxy is to be used.

Revocation of Proxies

In addition to revocation in any other manner permitted by law, a registered shareholder who has given a proxy may revoke it by:

- (a) executing a proxy bearing a later date or by executing a valid notice of revocation, either of the foregoing to be executed by the registered shareholder or the registered shareholder's authorized attorney in writing, or, if the shareholder is a corporation, under its corporate seal by an officer or attorney duly authorized, and by delivering the proxy bearing a later date to Computershare Investor Services Inc. or at the address of the registered office of the Company at 1500 Royal Centre, 1055 West Georgia Street, P. O. Box 11117, Vancouver, British Columbia, V6E 4N7, at any time up to and including the last business day that precedes the day of the Meeting or, if the Meeting is adjourned, the last business day that precedes any reconvening thereof, or to the chairman of the Meeting on the day of the Meeting or any reconvening thereof, or in any other manner provided by law, or
- (b) personally attending the Meeting and voting the registered shareholder's Shares.

A revocation of a proxy will not affect a matter on which a vote is taken before the revocation.

INTEREST OF CERTAIN PERSONS OR COMPANIES IN MATTERS TO BE ACTED UPON

No director or executive officer of the Company, or any person who has held such a position since the beginning of the last completed financial year end of the Company, nor any nominee for election as a director of the Company, nor any associate or affiliate of the foregoing persons, has any substantial or material interest, direct or indirect, by way of beneficial ownership of securities or otherwise, in any matter to be acted on at the Meeting other than the election of directors, the appointment of the auditor and as set out herein.

VOTING SECURITIES AND PRINCIPAL HOLDERS OF VOTING SECURITIES

The Board of Directors of the Company has fixed **Wednesday, November 9, 2022** as the record date (the "Record Date") for determination of persons entitled to receive notice of the Meeting. Only shareholders of record at the close of business on the Record Date who either attend the

Meeting personally or complete, sign and deliver a form of proxy in the manner and subject to the provisions described above will be entitled to vote or to have their Shares voted at the Meeting.

As of the Record Date there were **172,265,930** Shares without par value issued and outstanding, each carrying the right to one vote. No group of shareholders has the right to elect a specified number of directors, nor are there cumulative or similar voting rights attached to the Shares.

To the knowledge of the directors and executive officers of the Corporation, no person, firm or company beneficially owned, controlled or directed, directly or indirectly, voting securities carrying more than 10% of the voting rights attached to any class of voting securities of the Corporation as at the Record Date.

VOTES NECESSARY TO PASS RESOLUTIONS

A simple majority of affirmative votes cast at the Meeting is required to pass the resolutions described herein, except those resolutions which are special resolutions, which must be passed by a favourable majority of at least two-thirds of the votes cast on each of those resolutions. If there are more nominees for election as directors or appointment of the Company's auditor than there are vacancies to fill, those nominees receiving the greatest number of votes will be elected or appointed, as the case may be, until all such vacancies have been filled. If the number of nominees for election or appointment is equal to the number of vacancies to be filled, all such nominees will be declared elected or appointed by acclamation.

ELECTION OF DIRECTORS

The size of the board of directors of the Company is currently determined at seven. Shareholders will therefore be asked to approve an ordinary resolution that the number of directors elected be set at seven.

The term of office of each of the current directors will end at the conclusion of the Meeting. Unless the director's office is earlier vacated in accordance with the provisions of the *Business Corporations Act* (British Columbia) ("BCA"), each director elected will hold office until the conclusion of the next annual general meeting of the Company, or if no director is then elected, until a successor is elected.

COMPENSATION OF EXECUTIVE OFFICERS

Named Executive Officers

In this section “Named Executive Officer” means the Chief Executive Officer, the Chief Financial Officer and each of the three most highly compensated executive officers, other than the Chief Executive Officer and Chief Financial Officer, who were serving as executive officers at the end of the most recently completed financial year and whose total compensation was more than \$150,000 as well as any additional individuals for whom disclosure would have been provided except that the individual was not serving as an executive officer of the Company at the end of the most recently completed financial year.

Richard Mazur, the Chief Executive Officer, Dan O'Brien, the Chief Financial Officer and Kenneth Wheatley, the Vice-President of Exploration are each a "Named Executive Officer" ("NEO") of the Company for the purposes of the following disclosure.

Compensation Discussion and Analysis

This report has been prepared by the board of directors of the Company (the "Board"). The Board assumes responsibility for reviewing and monitoring the compensation for the senior management of the Company and as part of that mandate determines the compensation of the President and Chief Executive Officer and the Chief Financial Officer.

Philosophy and Objectives

The compensation program for the senior management of the Company is designed to ensure that the level and form of compensation achieves certain objectives, including:

- (a) attracting and retaining talented, qualified and effective executives;
- (b) motivating the short and long-term performance of these executives; and
- (c) better aligning their interests with those of the Company's shareholders.

In compensating its senior management, the Company has employed a combination of base salary, bonus compensation and equity participation through its stock option plan.

Base Salary

In the view of the Board, paying base salaries which are competitive in the markets in which the Company operates is a first step to attracting and retaining talented, qualified and effective executives. Competitive salary information on companies earning comparable revenues in a similar industry is compiled from a variety of sources, including surveys conducted by independent consultants and national and international publications.

Cash Incentive Compensation

The Company's primary objective is to aim to achieve certain strategic objectives and milestones. The Board approves executive bonus compensation dependent upon the Company meeting those strategic objectives and milestones and sufficient cash resources being available for the granting of bonuses. There were no bonuses paid to any of the Named Executive Officers during the most recently completed fiscal year.

Equity Participation

The Board believes that encouraging its executives and employees to become shareholders is the best way of aligning their interests with those of its shareholders. Equity participation is accomplished through the Company's stock option plan. Stock options are granted to senior executives taking into account a number of factors, including the amount and term of options previously granted, base salary and bonuses and competitive factors. Options are generally granted to senior executives and they vest immediately.

Given the evolving nature of the Company's business, the Board continues to review and redesign the overall compensation plan for senior management so as to continue to address the objectives identified above.

Compensation of the Named Executive Officers

The compensation of each of the Named Executive Officers is approved annually by the Board. Base cash compensation and variable cash compensation levels are based on market survey data provided to the Board by independent consultants.

¹ Based on the closing price of the Company's shares on the TSX Venture Exchange as at November 30, 2021 being \$0.19 per share. The Company does not believe that using the Black Scholes model to value option awards is appropriate as the Company is an exploration stage company with low volume of trading for the shares and high volatility. The Company values the option-based awards on the excess in-the-money options which are valued based on the market price of the Company's shares over the exercise price at the date of the vesting of the option-based awards.

There were no long-term incentive plans in place for any Named Executive Officer of the Company during the most recently completed financial year.

¹Based on the closing price of the Company's Shares on the TSX Venture Exchange as at November 30, 2021, being \$0.19 per share. The Company does not believe that using the Black Scholes model to value option awards is appropriate as the Company is an exploration stage company with low volume of trading for the shares and high volatility. The Company values the option-based awards on the excess in-the-money options which are valued based on the market price of the Company's shares over the exercise price at the date of the vesting of the option-based awards.

²These options were exercised subsequent to the year ended November 30, 2021.

³These options expired unexercised subsequent to the year ended November 30, 2021.

PARTICULARS OF MATTERS TO BE ACTED UPON

Omnibus Long-term Incentive Plan

On November 24, 2021, the TSX Venture Exchange (the “**TSXV**”) adopted the new Policy 4.4 Security Based Compensation (the “**Policy**”), which, among other amendments, clarified the rules for classes of compensation securities other than stock options, such as deferred share units (“**DSU**”), performance share units (“**PSU**”) and restricted share units (“**RSU**”) (collectively, the “**New Security Based Compensation**”), permitted the exercise of stock options on a cashless and net exercise basis and codified the TSXV’s pre-existing unwritten rules governing security based compensation plans and grants. In response to the new Policy and in order to enable the Company to avail itself of the New Security Based Compensation, on November 1, 2022 the Board adopted an Omnibus Long-term Incentive Plan (the “**Omnibus Plan**”) to replace the Company’s Stock Option Plan dated for reference October 27, 2009 (the “**Option Plan**”), subject to and effective upon the approval of the Company’s shareholders at the Meeting. The Omnibus Plan provides flexibility to the Company to grant equity-based incentive awards (“**Awards**”) in the form of stock options (“**Options**”), deferred share units, and restricted share units (collectively “**Share Units**”), described in detail below. All future grants of equity-based Awards will be made pursuant to, or as otherwise permitted by, the Omnibus Plan, and no further equity-based awards will be made pursuant to the Company’s prior Option Plan. The Omnibus Plan supersedes and replaces the Company’s Option Plan, dated as originally adopted by the Board of Directors on October 27, 2009 and ratified by the shareholders of the Company at the Company’s annual meeting held on October 27, 2009. Options granted under the Company’s Option Plan will, upon ratification of the Omnibus Plan by the Shareholders, be deemed to have been granted under the Omnibus Plan and will be subject to the terms and conditions of the Omnibus Plan.

Purpose of the Omnibus Plan

The purpose of the Omnibus Plan is to promote the interests of the Company and its stockholders by permitting the Company to grant Awards to employees, officers, consultants, advisors and non-employee directors (“**Participants**”) capable of assuring the future success of the Company in order to:

- (a) increase the interest of participants in the plan, who share responsibility for the management, growth and protection of the business of the Company or its subsidiaries in promoting the welfare of the Company;
- (b) provide an incentive to such persons to continue their services for the Company or a subsidiary and to encourage such persons whose skills, performance and loyalty to the objectives and interests of the Company or a subsidiary are necessary or essential to its success, image, reputation or activities;
- (c) reward participants for their performance of services while working for the Company or subsidiary; and
- (d) provide a means through which the Company or a subsidiary may attract and retain able persons to enter its employment or into contractual arrangements with the Company.

The following is a summary of certain provisions of the Omnibus Plan. This summary is intended as a summary only and is qualified in its entirety by reference to the Omnibus Plan, which is attached as filed under the Company's profile on SEDAR at www.sedar.com.

Summary of Material Terms

The Omnibus Plan is administered by the Board and provides that the Board may, from time to time, in its discretion, and in accordance with TSXV requirements or any other stock exchange on which the Common Shares are listed (the "**Exchange**"), grant to eligible Participants, non-transferable awards (the "**Awards**"). Such Awards include stock options ("**Options**"), restricted share units ("**RSUs**") and deferred share units ("**DSUs**").

Under the Omnibus Plan, the maximum number of Shares issuable at any time pursuant to outstanding Awards will be equal to 10% of the Outstanding Issue, as measured as at the date of any Award grant.

Under the Omnibus Plan the maximum term of any Awards shall be ten years.

No Award that can be settled in Shares issued from treasury may be granted if such grant would have the effect of causing the total number of Shares subject to such Award to exceed the above noted total number of Shares reserved for issuance pursuant to the settlement of Awards

The Omnibus Plan is an "evergreen" plan, as Common Shares covered by Awards which have been exercised or settled, as applicable, and Awards which expire or are forfeited, cancelled or otherwise terminated or lapse for any reason without having been exercised, will be available for subsequent grant under the Omnibus Plan.

The maximum number of Common Shares for which Awards may be issued to any one Participant in any 12-month period shall not exceed 5% of the outstanding Common Shares, unless the Company obtains disinterested shareholder approval as required by the policies of the Exchange. The aggregate number of Common Shares for which Awards may be issued to any one consultant within any 12-month period shall not exceed 2% of the outstanding Common Shares, calculated on the date an Award is granted to the consultant. The aggregate number of Common Shares for which Options may be issued to any persons retained to provide Investor Relations Activities (as defined by the Exchange) within any 12-month period shall not exceed 2% of the outstanding Shares, calculated on the date an Option is granted to such persons. No Awards other than Options may granted to a person providing Investor Relations Activities.

Further, unless disinterested shareholder approval as required by the policies of the Exchange is obtained: (i) the maximum number of Common Shares for which Awards may be issued to insiders of the Company (as a group) at any point in time shall not exceed 10% of the outstanding Common Shares; and (ii) the aggregate number of Awards granted to insiders of the Company (as a group), within any 12-month period, shall not exceed 10% of the outstanding Common Shares, calculated at the date an Award is granted to any insider.

Participants who are investor relations service providers cannot receive any security-based compensation other than Options.

The Omnibus Plan provides for customary adjustments or substitutions, as applicable, in the number of Common Shares that may be issued under the Omnibus Plan in the event of a merger,

arrangement, amalgamation, consolidation, reorganization, recapitalization, separation, stock dividend, extraordinary dividend, stock split, reverse stock split, split up, spin-off or other distribution of stock or property of the Company, combination of securities, exchange of securities, dividend in kind, or other like change in capital structure or distribution (other than normal cash dividends) to shareholders of the Company, or any similar corporate event or transaction.

In the event of an actual or potential Change of Control (as is defined in the Omnibus Plan) of the Company, the Board shall have discretion as to the treatment of Awards, including whether to (i) accelerate, conditionally or otherwise, on such terms as it sees fit, the vesting date of any Awards; (ii) permit the conditional redemption or exercise of any Awards, on such terms as it sees fit; (iii) otherwise amend or modify the terms of any Awards; and (iv) terminate, following the successful completion of a Change of Control, on such terms as it sees fit, the Awards not exercised prior to the successful completion of such Change of Control. If there is a Change of Control, any Awards held by a Participant shall automatically vest following such Change of Control, if the Participant is an employee, officer or a director and their employment, or officer or director position is terminated within 12 months following the Change of Control, provided that no acceleration of Awards shall occur in the case of a Participant that was retained to provide Investor Relations Activities unless the approval of the Exchange is either obtained or not required.

Neither the Awards nor the securities which may be acquired pursuant to the exercise of the Awards have been registered under the United States Securities Act of 1933 (the “**U.S. Securities Act**”) or under any securities law of any state of the United States of America and are considered “restricted securities” (as such term is defined in Rule 144(a)(3) under the U.S. Securities Act) and any Common Shares will be affixed with an applicable restrictive legend as set forth in the Award Agreement. Provisions of the Omnibus Plan relating to U.S. Taxpayers can be found in Article 17 of the Omnibus Plan, which is filed on SEDAR.

Options

Subject to the terms and conditions of the Omnibus Plan, the Board may grant Options to Participants in such amounts and upon such terms (including the exercise price, duration of the Options, the number of Common Shares to which the Option pertains, and the conditions, if any, upon which an Option shall become vested and exercisable) as the Board shall determine.

The exercise price of the Options will be determined by the Board at the time any Option is granted. In no event will such exercise price be lower than the last closing price of the Common Shares on the Exchange less any discount permitted by the rules or policies of the Exchange at the time the Option is granted. Such price upon exercise of any Option shall be payable to the Company in full in cash, by certified cheque or by wire transfer, by a cashless exercise or a net exercise.

In connection with a cashless exercise, the Participant shall elect, on a notice of exercise, to receive a loan from a brokerage firm, which the Company has an arrangement with, to purchase the underlying Common Shares. Upon the sale by the brokerage firm of an equivalent number of Common Shares received from the exercise of the Options to repay the loan made to the Participant, the Participant shall elect to receive either the balance of the Common Shares following the sale or the cash proceeds from the balance of the Common Shares.

In connection with a net exercise, the Participant shall elect on a notice of exercise to receive an amount equal to the number of underlying Common Shares listed on the Exchange that is the

equal to the quotient obtained by dividing: (a) the product of the number of Options being exercised multiplied by the difference between the five-day volume weighted average price of the underlying Common Shares so listed and the exercise price of the subject Options; by (b) the five-day volume weighted average price of the underlying Common Shares so listed; provided, however, that persons retained to provide investor relations activities shall not be permitted to exercise an Option using the net exercise method.

Unless otherwise specified in an Award agreement granting Options, Options shall vest subject to Exchange policies, and the Board may in its sole discretion, determine the time during which an Option shall vest and the method of vesting, or that no vesting restriction shall exist.

DSUs

Subject to the terms and conditions of the Omnibus Plan, the Board may grant DSUs to Participants in such amounts and upon such terms (including the requirement that Participants pay a stipulated purchase price for each DSU, restrictions based upon the achievement of specific performance criteria, time-based restrictions, restrictions under applicable laws or under the requirements of the Exchange, or holding or sale restrictions placed on the Common Shares by the Company upon vesting of such DSUs) as the Board shall determine. DSU's will vest as set out in the Award agreement and will terminate on the date that a Participant ceases to be eligible to participate in the Omnibus Plan (the "**Termination Date**").

Vested DSU's shall become payable as of the Termination Date (except where the Participant has been terminated for cause or where payment of the DSU is accelerated as a result of a change of control). On or before December 15 of the year following the Termination Date, a Participant issued such DSUs shall be entitled to receive payment from the Company in settlement of such DSU: (i) in a number of Common Shares (issued from treasury) equal to the number of DSUs being settled, or (ii) in a cash equivalent determined by multiplying the number of DSU's by the price of the Common Shares on the trading day before the Termination Date (a "**Cash Equivalent Payment**"). The Board's determination regarding the form of payout shall be set forth or reserved for later determination in the Award agreement for the grant of the DSUs. Participants holding DSUs may, if the Board so determines, be credited with dividends paid with respect of the underlying Common Shares or dividend equivalents while they are so held in a manner determined by the Board in its sole discretion.

The extent to which a Participant shall have the right to retain DSUs following termination of the Participant's employment or other relationship with the Company, shall be set out in each DSU award agreement and determined in the sole discretion of the Board, and need not be uniform among all DSUs issued pursuant to the Omnibus Plan, and may reflect distinctions based on the reasons for termination.

The vesting of DSUs may be accelerated in limited circumstances, in the case of the death of Participant or upon a Participant ceasing to be an eligible participant under the Omnibus Plan in connection with a change of control, take-over bid, Reverse Take-Over or other similar transaction.

Dividend Equivalents (as defined in the Omnibus Plan) may be awarded in respect of invested DSUs on the same basis as cash dividends declared and paid in Shares as if the Participant was a shareholder of record of Shares on the relevant record date.

RSUs

Subject to the terms and conditions of the Omnibus Plan, the Board may grant RSUs to Participants in such amounts and upon such terms (including time-based restrictions on vesting, restrictions under applicable laws or under the requirements of the Exchange) as the Board shall determine. An RSU entitles the recipient to acquire Common Shares at such purchase price (which may be zero) as is determined by the Board.

Unless otherwise provided for in the Award agreement, RSUs will vest as to one third of the RSUs granted on each of the first three anniversaries of the date of grant. The Board may also establish performance criteria for the vesting of RSUs. RSUs shall be payable no later December 31 of the third year following the date the RSU is granted.

RSUs are required to be settled within five years of vesting, and a holder of RSUs may at any time within that period provide notice to the Company to settle the RSUs. The Company, in settlement of such RSUs: (i) issue a number of Common Shares (issued from treasury) equal to the number of RSUs being settled, (ii) pay the Cash Equivalent, or (iii) a combination thereof.

The vesting of RSUs may be accelerated in limited circumstances, in the case of the death of Participant or upon a Participant ceasing to be an eligible participant under the Omnibus Plan in connection with a change of control, take-over bid, or other similar transaction.

Participants who are investor relations service providers cannot receive any security-based compensation other than Options.

Termination of Awards

Subject to any requirements of the Exchange, the Board may determine the expiry date of each Award. Awards shall terminate as follows: (i) upon a Participant's termination for cause, all Awards, whether vested or not, as at the Termination Date will automatically and immediately expire and be forfeited; (ii) upon the death of a Participant, all unvested Options as at the Termination Date shall automatically and immediately vest, and all vested Awards will continue to be subject to the Omnibus Plan and be exercisable for a period of 180 days after the Termination Date; (iii) in the case of the retirement of a Participant, unvested Awards (other than DSUs) shall continue to vest in accordance with their schedule for a period of six months following retirement and vested Awards (other than DSUs) shall be exercisable for six months following the Termination Date; and; (v) in all other cases where a Participant ceases to be eligible under the Omnibus Plan, including a termination without cause or a voluntary resignation, unless otherwise determined by the Board, all unvested Awards shall automatically and immediately expire and be forfeited as of the Termination Date, and all vested Awards will continue to be subject to the Omnibus Plan and be exercisable for a period of 90 days after the Termination Date.

Amendment of the Omnibus Plan

Subject to the approval of the TSXV, the Board has the discretion to amend the Omnibus Plan in the following circumstances, without the approval of Participants:

- (1) for amendments not adversely alter or impair any Award previously granted;

- (2) to ensure compliance with applicable law and subject to any regulatory approvals including, where required, the approval of the Exchange; and
- (3) to be subject to shareholder approval, where required by law, the requirements of the TSXV or the provisions of the Plan, provided that shareholder approval shall not be required for the following amendments and the Board may make any changes which may include but are not limited to:
 - (A) amendments of a general “housekeeping” or clerical nature that, among others, clarify, correct or rectify any ambiguity, defective provision, error or omission in the Plan; and
 - (B)
 - (C) changes that alter, extend or accelerate the terms of vesting or settlement applicable to any Award.

Any amendment that would:

- (4) increase the maximum number of Common Shares issuable from treasury under the Plan;
- (5) reduce the exercise price of any Award after such Awards have been granted, or result in any cancellation of an Award and the substitution of that Award by a new Award with a reduced price;
- (6) extend the expiry date of any Award or the restriction period of any RSU beyond the original expiry date, except in case of an extension due to a Black-Out Period;
- (7) permit a change to the pool of Eligible Participants, including a change which would have the potential of broadening or increasing participation by Insiders;
- (8) increase the maximum number of Common Shares that may be (i) issuable to Insiders and associates of such Insiders at any time; or (ii) issued to Insiders and associates of such Insiders under the Omnibus Plan and any other proposed or established Share Compensation Arrangement in a one-year period; or
- (9) amend the the amendment provisions of the Plan,

will be subject to approval of the Disinterested Shareholders of the Company.
